\$25 Buyin

(with one \$25 Rebuy during the first hour)

Payout 50% to Spartans club

Players: 1st - 30%, 2nd - 15%, 3rd - 5%

Buyin/Payout Example

50 players pay \$25 to buyin to the tourney (50x\$20=\$1,000). 10 players rebuy after going broke during the first hour (10x\$20=\$200). The total payout will be \$1,200. The winner will receive 30% of \$1,200, 2nd place will receive 15% of \$1,200, 3rd place 5%.

Each player will receive 30 chips for their \$25 buyin. You are eliminated from the tourney when you lose *all* your chips. The tourney will not stop (except for short breaks) until one player holds all the chips. That player will be declared the 1st place finisher. The last player eliminated will be the 2nd place finisher, the second last player eliminated will be the 3rd place finisher.

During the *first hour* of the tourney you may 'rebuy' into the tourney (pay another \$25 and receive another 30 chips) *if you lose all your chips*. You must rebuy before the first hand of the 3rd blinds level is dealt.

Late Players

If you have reserved a seat but do not arrive in time, you will be assigned a seat and chips. Your blinds will be posted in your absence. You must arrive before the first hand of the second blind is dealt (20 minutes). This tourney will take approximately 6 hours to complete. Seating is limited to 50 players. You *must* reserve your seat in advance.

Players must be 21 or older. All entries are final - no refunds.
